What the economy should be delivering: six broad social and environmental ambitions

- **Climate Stability**: Limit GHG levels to stabilise global temperature rise under 2°C
- **Healthy Ecosystems**: Maintain ecologically sound landscapes and seas for nature and people
- **Resource Stewardship**: Preserve stocks of natural resources through efficient and circular use
- **Basic Needs**: Food, water, shelter, sanitation, security and basic freedoms for all
- **Health and Wellbeing**: Health, education, justice and equality of opportunity for all
- **Decent Work**: Secure, socially inclusive jobs and working conditions for all
