

What our alumni say

"Thought-provoking, challenging and provides a real roadmap to understanding the issues as well as the solution."

Peter Chamley, Chair, Global Infrastructure Practice, Arup Group Ltd

"Journey – context – solutions. Great way to take us through it." **Mary Sharrock, Public Affairs, Nestlé Purina**

"CISL provides access to a treasure trove of information, perspective and inspiration to energise the progress on sustainability that we critically need. The quality of content and teaching is outstanding."

Martin Riant, Group President, P&G

"This seminar will evolve your perspective, expand your network."

Katherine Chou, Product Lead, Google Labs

"Fantastic inspiration and network to think big and be brave."

Emma Flack, Head of Comms, Aggreko

"This has given me the space to think about the big issues and reflect back in my own organisation – what could we be doing more of, less of, and certainly how can we engage not only our own people but our customers as well?"

Chris Moss, Customer & Marketing Director, B&Q

"Be prepared to be challenged."

Executive General Manager, Debt Markets, National Australia Bank

"This programme is fantastic in giving the broadest global overview possible on all areas of sustainability, and to be honest, business."

Chris Foy, CEO, Equity Insurance

"Absolutely inspiring and refreshing."

Executive Director Operations, Nestlé Australia Ltd

"An extraordinary, well-structured and facilitated programme. A rollercoaster of emotions culminating in a clear plan on how to take this forward and make a difference."

Gary Bull, Head of Finance and Business Performance: Procurement, SABMiller

"This is a fantastic programme! It has been an eye-opener which will change my work and the effect the company has on its way to achieve its optimum business targets."

Shaliza Abd Malek, Senior Legal Counsel, PETRONAS

"Outstanding learning experience (would highly recommend)."

Daniel Crabtree, Head, Strategy and Impact, Sustainable Business Advisory Services, International Finance Corporation (IFC)

"The best part of the seminar was hearing the various business perspectives. We're not often in the same room and being required to find paths to engagement on such a complex topic."

Sandra Pepera, Deputy Director, Policy Division, DFID

"A huge privilege to learn from—and amongst—such interesting, capable and experienced people."

Beth Hart, Head of Product Development & Technology, Sainsbury's

"Unconditionally the best seminar I have ever attended! Extremely valuable use of my time. Exceptional."

Chief Risk Officer, Vector Ltd

"The seminar content was beyond all expectations. The quality of the discussions and presenters was excellent."

Deputy Director-General, SA Government
