

# Celebrate 30 years of the Cambridge Institute for Sustainability Leadership (CISL)

2019 marks the 10th year of our MSt in Sustainability Leadership, the 25th year of our MSt in Interdisciplinary Design for the Built Environment and the 30th anniversary of CISL. No matter where you are in the world, we want all our Graduate Programmes alumni to join in the celebrations! You are free to choose how you wish to celebrate. Here are some suggestions from us.

## What should I do?

### **Reconnect with your classmates**

If you haven't connected with your cohort recently, why not get in touch? Use this time to reconnect and celebrate each other's achievements since your studies at CISL.

### **Get in touch with your regional Ambassador**

Did you know CISL have [Network Ambassadors](#) based around the world? If there is an Ambassador in your area do get in touch and stay connected with your local network members.

### **Get your colleagues involved**

We could all do more to make our workplace more sustainable. Try sharing some of your learning from your CISL programme with colleagues.

## How should I do it?

### **Anytime**

CISL are running a variety of anniversary events between April and November 2019. The main Graduate Programmes celebration takes place on Friday 27 September and it would be great if your event could coincide. But if this day doesn't work for you then pick another one that does and join in the fun.

### **Anywhere**

We encourage you to arrange events in your local area to spread the events worldwide! This could be your home, your workplace or your favourite social space.

### **Anyhow**

Celebrate however you wish! Meet up with a classmate, arrange a tea break for your colleagues or host a party for your friends. No matter the scale of your event we want to hear about it (see below).

And if you don't get a chance to arrange a celebration with others, then take 30 seconds to remember all the hard work that went in to your CISL studies, and celebrate your own achievement just for you!

## Share with us on social media

We encourage you to share updates and photos from your events using [#30YearsofImpact](#)

Alternatively, why not send us a photo of a memento of your time in Cambridge, tagging [@CISL\\_Grad](#)

You can also [follow us](#) on LinkedIn or join our [network group](#).
