

# The CISL Network

**Following this seminar, you will be invited to join CISL's Network, made up of nearly 8,000 senior leaders and leading practitioners who represent business, the public sector and civil society in every industry and on every continent. As a member you will have access to the following:**

## **Join regional and thematic groups:**

Network members are invited to join our regional and thematic groups, which are managed by CISL Ambassadors. Our Ambassadors have been selected to champion our work and set up groups of common interest for our Network members in countries worldwide.

## **Stay connected:**

We will shortly invite you to join the CISL Network LinkedIn group where you can remain in touch with your fellow participants and meet others in the CISL Network. We also encourage you to follow us on Twitter (@CISL\_Cambridge) to keep up-to-date with the latest thinking, news and events from CISL.

## **Networking events, worldwide:**

Our Network has special access to a range of CISL events organised throughout the year and across the world, including the CISL Leadership Lab Keynote Lectures and Gala Dinners. In addition to this, CISL and our international ambassadors organise educational and social events in a variety of locations worldwide, giving you an opportunity to keep in touch with peers.

## **CISL newsletter:**

Our monthly e-newsletter is a great way to benefit from the latest research and thinking being developed by the Cambridge Institute of Sustainability Leadership, and to find out about events and opportunities in Cambridge and worldwide.
